Charlton House Independent School – Headteacher Vacancy

Salary range £48,000 - £65,000

(Dependent on experience)

The Governing Board of Charlton House Independent School is excited to be assisting with the appointment of a new Headteacher from September 2021.

We are an independent, non-selective, Catholic, co-educational, day school for pupils aged 4 to 11 situated in the city of Southampton. The Brothers of Christian Instruction first opened a school on the site in 1922 with the mission for young people to be educated alongside knowing and loving Jesus. The current school opened its doors in September 2020 and is proud to be carrying on in this tradition as we approach the centenary.

Charlton House Independent School prides itself on providing exceptional learning opportunities at affordable prices. The school's aim is to develop the character and potential of every child. The Catholic ethos, and the stimulating environment the school fosters, aim to ensure that each pupil has an excellent academic and social grounding as they are helped to grow into confident young people. Every child receives the support that they need to thrive in a happy, nurturing environment with a strong emphasis on excellent pastoral support.

This position presents an exciting opportunity for a leader to drive the school forward following its recent opening and increase the current number on roll, to fulfil the school's true potential. The Governors are seeking a driven yet empathetic educationalist with good marketing skills and business acumen, and a vision for the future of the school. The successful candidate will be passionate about the care of each individual child and committed to providing a broad education for our pupils alongside creating opportunities for the professional development of staff. They should be prepared for the challenge of streamlining the curriculum and operational systems and continuing the expedited progress that has been made since opening in addressing the Ofsted report inherited from the prior through-school.

If you have successful senior leadership experience, with a good degree of financial and business acumen, this is a position to really engage you.
