

British Values at Charlton House

The knowledge and understanding expected of pupils as a result of the way our school promotes fundamental British values:

Mutual Respect

An understanding of the importance of identifying and combatting discrimination.

Individual Liberty

An understanding that the freedom to choose and hold other faiths and beliefs is protected by law.

Doctrine

An understanding that there is a separation of power between the executive and the judiciary, and that while some public bodies such as the police and the army can be held to account through Parliament, others such as the courts maintain independence.
